Winemakers Tasting Notes:

2013 was a very mild year in the Napa Valley. Adequate early rains followed by consistent sunshine blessed us with even ripening. This wine represents the year well in your wine glass. Deep, almost indelible color marks the concentrated aromas. Zante currants with mint pique your interest giving way to sandlewood and toasted almonds. Thick legs drape downward showcasing the wine's body. Blackberry and desiccated plum carpet your pallet with hints of clove and vanilla hanging in the long finish. This wine will marry confidently with your best hearty dishes and meats to reward your patience. Cheers!
